

To: Co-Chairs of the Environment Committee  
RE: SB247 - An Act PROHIBITING THE STORAGE OR DISPOSAL OF FRACKING WASTE IN  
CT

I am writing to support the passage of this bill which would prohibit the storage or disposal of waste from fracking in CT. The toxic chemicals and other substances in these waste fluids would greatly endanger our natural resources, including groundwater, and pose significant health risks to the people of our state.

Thank you,
